Dear World Board,

This letter is to inform you that we have formed a new region of narcotics anonymous, and we plan to attend the World Service Conference this April, and will be asking to be seated, with the full blessing of the Greater New York Region of Narcotics Anonymous. The ABCD Region comprises 13 Counties in NorthEast Upstate New York. The Counties in New York are Albany, Schenectady, Washington, Essex, Hamilton, Schoharie, Greene, Montgomery, Fulton, Rensselaer, Warren, Saratoga, & Columbia. We have formed three new Areas within our New Region. Since we have formed our region we have experienced a tremendous growth of group participation and Unity within our region. We have had several Learning Days, which had tremendous turnout. I have enclosed the questionnaires we were sent, a copy of the motion which was passed in June to form a New Region, a few copies of the minutes of our new region, and a Regional Meeting List. If there is anything else we need to do, please don't hesitate to call me. My number is 518-433-1153. Thanking you in advance for your prompt attention to this matter.

In Loving Service,

*Salvatore J. Marchese R.D.*

Dear WSC Participants and World Board Members,

During conference year 1997/1998, NERF (North East Regional Forum of India) followed the procedure described in the *Temporary Working Guide to Our World Service Structure* for a region seeking to become a WSC participant. We submitted the results of our regional formation study in August 1997 and had planned to seek seating at WSC '98. Unfortunately, our financial condition prevented the attendance of a regional delegate in April 1998.

We are coming to the World Service Conference meeting in April 1999 and our plan is to request seating with full participation rights as the NERF Region of Narcotics Anonymous.

Please keep us advised of anything further we need to do. Thank you for your consideration.

In service to the Fellowship,

Anand Chabungbam Singh  
Regional Delegate  
NERF, India
