<i>Motion #12</i>	<i>Western Russia Region</i>
OLD	That Narcotics Anonymous World Services add the following "What is NA Service" card as part of the Group Readings offered by the World Service Office. What is NA Service? This is a very important integrant of our recovery, this is how our gratitude speaks, yet this is a way to carry the message of recovery to those addicts who still suffer. We usually begin being of service in NA making coffee/tea or cleaning our rooms after meetings. As we get some experience serving at the group level, many of us try ourselves out at a different point of service structure, for instance, - area or region. Being of service in NA is for any of us. True service can be expressed by simple words quoted from the Basic Text: «True service is "doing the right things for the right reasons"» . Being of service at a group level helps to strengthen the very foundation of our recovery because it could probably be the first time when we something for others without seeking to profit, expecting nothing in return. Serving at a group is another motive that helps us to attend meetings regularly. And our experience tells us that those who keep coming back regularly stay clean. Being of service in NA is our gratitude to the Fellowship of Narcotics Anonymous for a new clean life. Many of us always wanted to be "a part of something". Service in NA indeed gives us a chance to become a part of a fellowship that saves our lives and helps addicts all over the world to stay clean and follow the way of recovery. Intent: To provide NA groups with an approved piece of literature to use as a tool to foster a culture of getting involved into service.
