

THE 6th NA WORLD CONVENTION WILL BE HELD IN VENTURA,
CALIFORNIA ON THE SECOND WEEKEND OF NOVEMBER-- NOV. 13,
14, & 15, 1976. THE SITE FOR THIS FORTHCOMING CONVENTION
IS THE HOLIDAY INN, LOCATED ON THE BEACH OVERLOOKING THE
PACIFIC OCEAN.

Why -
Ventura? The selection of Ventura as our next convention site was
made easy -- no other areas submitted bids. Shortly before
the last NA Convention, several members from the Ventura
County NA groups began looking into possibilities of having
the next convention somewhere in Santa Barbara or Ventura
County. Eventually, the Holiday Inn was found to be the best
location. On November 15th of last year the NA Convention
Committee held a meeting in San Luis Obispo to discuss con-
vention selection procedures and the forthcoming convention.
The Ventura proposal was the only bid submitted. A tentative
acceptance was given Ventura, pending an expected proposal
from Arizona. When no other bids came in, the Ventura
acceptance became final.

The -
Site The Holiday Inn is located right on the beach. It's a new
hotel with excellent meeting rooms, a clean beach, pier,
nearby motels, and a state campground only a mile away down
the beach. Rooms at the Inn are \$24 for a double, \$19 for a
single. The nearby motels are cheaper, and the campground
sites are available at a minimal cost. Ventura is about
midway between San Luis Obispo and L.A. Transportation for
people flying in to either L.A. or Burbank will be provided
if notified in advance of the incoming flight.

The -
Convention Program Because it is a World Convention, all NA area committees
should have some input. It is hoped that a Program Committee
comprised of a handful of members from different areas can
be organized to arrange the speakers and meeting schedules.

INFORMATION AND RESERVATION FORMS WILL BE MAILED THIS
SUMMER TO ALL GROUPS WHOSE ADDRESSES APPEAR IN THE WORLD
DIRECTORY.
